The Connected car subscription is available to the customer **at no additional cost for a period of one year** from the date of delivery. This includes **20GB/month in-car data** that ensures seamless experiences to Fun&Work apps (OTT streaming, social media, News, Shopping Apps, video calling etc). Once the data consumption reaches to 90% of monthly limit, in-car data access to Fun&Work apps will be temporarily restricted until the next month's data allocation begins. However, if you wish to continue using these apps, you have the option to purchase additional data (recharge) to restore access.
